

## GREETINGS

It is hard to believe it is October already! I get excited when I visit the classrooms and see our Warriors actively engaged in their lessons and to witness the growth they have made in a short time period. I applaud and THANK our teachers and staff. Many of you have signed up for committees to volunteer on, and I thank you! It takes ALL of us to grow AIP. We welcome your talents, gifts and expertise. I encourage you to GET INVOLVED. Remain involved in your child's classroom with the teacher. All teachers can be reached via email, phone, classroom communication platform, agenda and homework folders. Our school is successful because of your participation and support. October is just the beginning of how much FUN we have at AIP. Until then TTFN (Ta Ta For Now)
