

Hello AIP Family!!

Welcome to Oh-Oh-Oh So Wonderful October!!! We have many things to cover this month. Please take your time and read through this month's information. The faculty and staff would like to thank you for a wonderful first two months of school. As we move toward the holiday season, there will be many events and special days. We want to see you at all of them. Again, Welcome to October!

1. AIP HANDBOOK: As we continued to enroll students from July-September, administration felt it was imperative that we allow all families and students time to adjust to our old and new processes. Therefore, the decision was made to hold on implementing the AIP Handbook in its entirety. However, since we have completed all enrollment, the policies and procedure set forth in the handbook are now in effect. Please view the AIP Handbook and sign the Signature of Understand Form, via link. **Signatures are due by Friday**. To access the handbook please click the link below: <https://www.angelsinprogressacademy.com/enrollmentdocuments>
