## Testing

Standardized Testing and Grade Level Testing will be held in April for all students. It is important that your financial account is in good standing.

Students that have academic accounts that are greater than 30 days past due will not receive results.

## AGAPE

Hello AIP Family!!!

There is no greater thing we can give one another than love. At the same time, God's love is the greatest thing we can receive. His love is infinite. When you think about that your heart should leap for joy. There is truly nothing that can separate us from this love, not even ourselves. This is why He devotes a whole chapter, in the Bible, that ends in the word love. Love is not just for Christmas. It is for every day! Love freely, love without stipulations, and love hard.

The same way Christ loves you!

May Blessings and Peace be with us all!!!

Mr. Odum

### SCRIPTURE OF THE WEEK
