

IT'S 2022! The Year to celebrate YOU!

Happy New Year AIP family! We pray that everyone enjoyed their Holiday Season. As we enter 2022, I challenge everyone to take time out to celebrate themselves (YOU). We often set time aside for others but how often do you take care of YOU?

As a staff, as we take care of ourselves, we are ready to take care of our scholars. We are ready to dive into the last semester of the school year with creativity, excellence and passion. Walt Disney once said, "you can design and create, and build the most wonderful place in the world, but it takes people to make the dream a reality." This is certainly the case at AIP. The reality is that the learning experiences and solid Christian values that our teachers and staff instill is a gift that none can take from our Warrior Scholars. The magic is at AIP! We are ready for 2022 with new programs and teachers! In 2022, we are READY for YOU!

Until then TTFN (Ta Ta For Now)
