AFFIRMATION OF THE WEEK

Hello AIP Family!
 Can you believe it's October already?
 Hallelujah! Let us Praise God for His faithfulness and love for us! Let us prepare our minds and hearts to receive the word of the Lord each day! Believe His Word is true:

Scripture of the week:
"Study this Book of Instruction continually. Meditate on it day and night so you will be sure to obey everything written in it. Only then will you prosper and succeed in all you do."

OOO It's October!!!

The weather is changing and that means we will transition at AIP as well. Students are now fully engaged in their curriculum. Here are a few things to keep in mind: Please stay abreast of all teacher communication. Make sure

you review your child's agenda nightly so you know where your child is in their academic journey. Next, we are getting closer to our October tuition payment. Please remember financial accounts that are 60 days behind will result in academic suspension for students. Please review your August invoices to ensure they are all paid up.
