

## April's AIP Flowers!

Greetings to our amazing AIP Family! We are "Springing" into action! This month is packed and will move fast! Please pay close attention to all reminders as events approach. This month, our scholars will take the Stanford 9 Standardized test. Although many institutions are not utilizing a standardized testing method as a measuring tool, due to Covid gaps, we have decided to see where our students are as a whole academically. This testing will be used for **in house data** to outline and guide instruction for the 2022-2023 school year. Graduation Station is ready for our K5, 5<sup>th</sup>, & 8<sup>th</sup> grade to take off. Graduation Station is a one-stop information page, on our website, regarding all things graduation. **Parents you must check this page weekly and be mindful of time sensitive deadlines.** During the April PTA Meeting, parents of graduates will be asked to remain online, at the conclusion, for a short information session. This is an exciting moment and our staff is ready to take off with your family!
