

UNDERSTANDING YOUR TUITION PAYMENT

1. Tuition payments are invoiced: Monthly or Biannually
2. Payments may be added to accounts any time before the 20th as a credit, for monthly payers. The full amount must be available by the 20th of each month.
3. Biannually tuition is billed to the account in two separate payments and the full amount is due on the due dates (July 20th & December 20th). If not paid by these dates the account will be changed to a monthly billing plan.
4. The baseline tuition is the only portion of the tuition that may be discounted.
5. Baseline tuition may only be discounted **once**. Multiple discounts may not be used.
6. Invoices are available for viewing on the 18th of each month.
7. If you have not completed the Tuition Agreement Form **AND** the Meal Plan selection by July 15th, your financial account will be billed for the highest plan and may not be changed until after the July 20th payment has been made.
8. Arete, Caps, Military, and other venter associated financial award recipients will not see discounts applied until verification documents are uploaded in Brightwheel and
9. Meal plan invoices are **combined** with the second tuition payment for each semester: *August and*February.
