

GREETINGS

Hello AIP Family!

We pray everyone had a wonderful Thanksgiving creating new memories with those they love. As we prepare for the Christmas Holiday, we have some fun and exciting festivities planned. BUT first, we love giving back to our community. This year we will be collecting gently used/ new coats and blankets. We also will continue to help raising funds for our school through our Honey Baked Ham Fundraiser and through our school's AmazonSmile.com. app Please take the time read the newsletter to make sure you are "in the know." We thank you for being a part of our AIP Family!

- Mr. and Mrs. Jackson

TUITION

Please note that tuition **MUST** be paid on time. This includes payments that would be made during the holiday break. If you traditionally pay via check, you must send a post-dated check. The check will be deposited on the specified date. It is **IMPERATIVE** you comply with your payment schedule as it directly affects the school's financial obligations. Please contact Mr. or Mrs. Jackson should you have any questions or concerns.

As the Holiday approaches please give your child the gift of extra time. Put an I.O.U in his or her stocking for a special event or activity. Often when students are asked to write about a memorable event in their lives, it isn't about a special gift they choose to write about, but a particular moment/experience that they had or shared with someone special.

During this time, we would like to say thank you to the parents who has volunteered their time and donations to AIP. To all the parents who sends their child/children in ready to learn. To the parents who sit with their children during homework and lastly, **TO ALL THE PARENTS WHO SACRIFICE** in some way for their child to attend AIP and who **BELIEVES IN** our vision Merry Christmas and God Bless!
