HAPPY NEW YEAR

Welcome Back AIP Family!!!

I hope you had a wonderful Christmas break! I pray everyone is ready to get back to learning and focusing on being a better you in 2024. Some of us have set some goals for the New Year. I pray that we can stay committed to them. I would like to encourage everyone to be intentional about studying your school work and the Word of God. In this New Year, do not let anything hold you back from being the best you can be. The New Year represents new beginnings. It is never to late to start again. Trust in the Lord to help you in every area of your life. I promise it will come to pass.

May Blessings and Peace be with us all!!
